

Riverdale Grand is Rising

Construction Update: May 2025

Dear Homeowner,

We are excited to bring you the latest updates from the vibrant Riverdale Grand community. This month, we've made strong strides in both residential and retail progress, along with meaningful on-site initiatives focused on health, safety, and community building.

Here's a comprehensive look at the highlights:

Retail Works

- Protection canopy installation work in process.
- Retail tiling work fully completed.
- Firefighting systems 90% completed.

Residential Towers

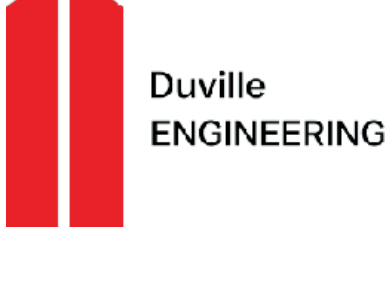

B1 Tower

9th slab completed; 10th slab work commenced. Blockwork and gypsum plaster commenced on the 6th slab.

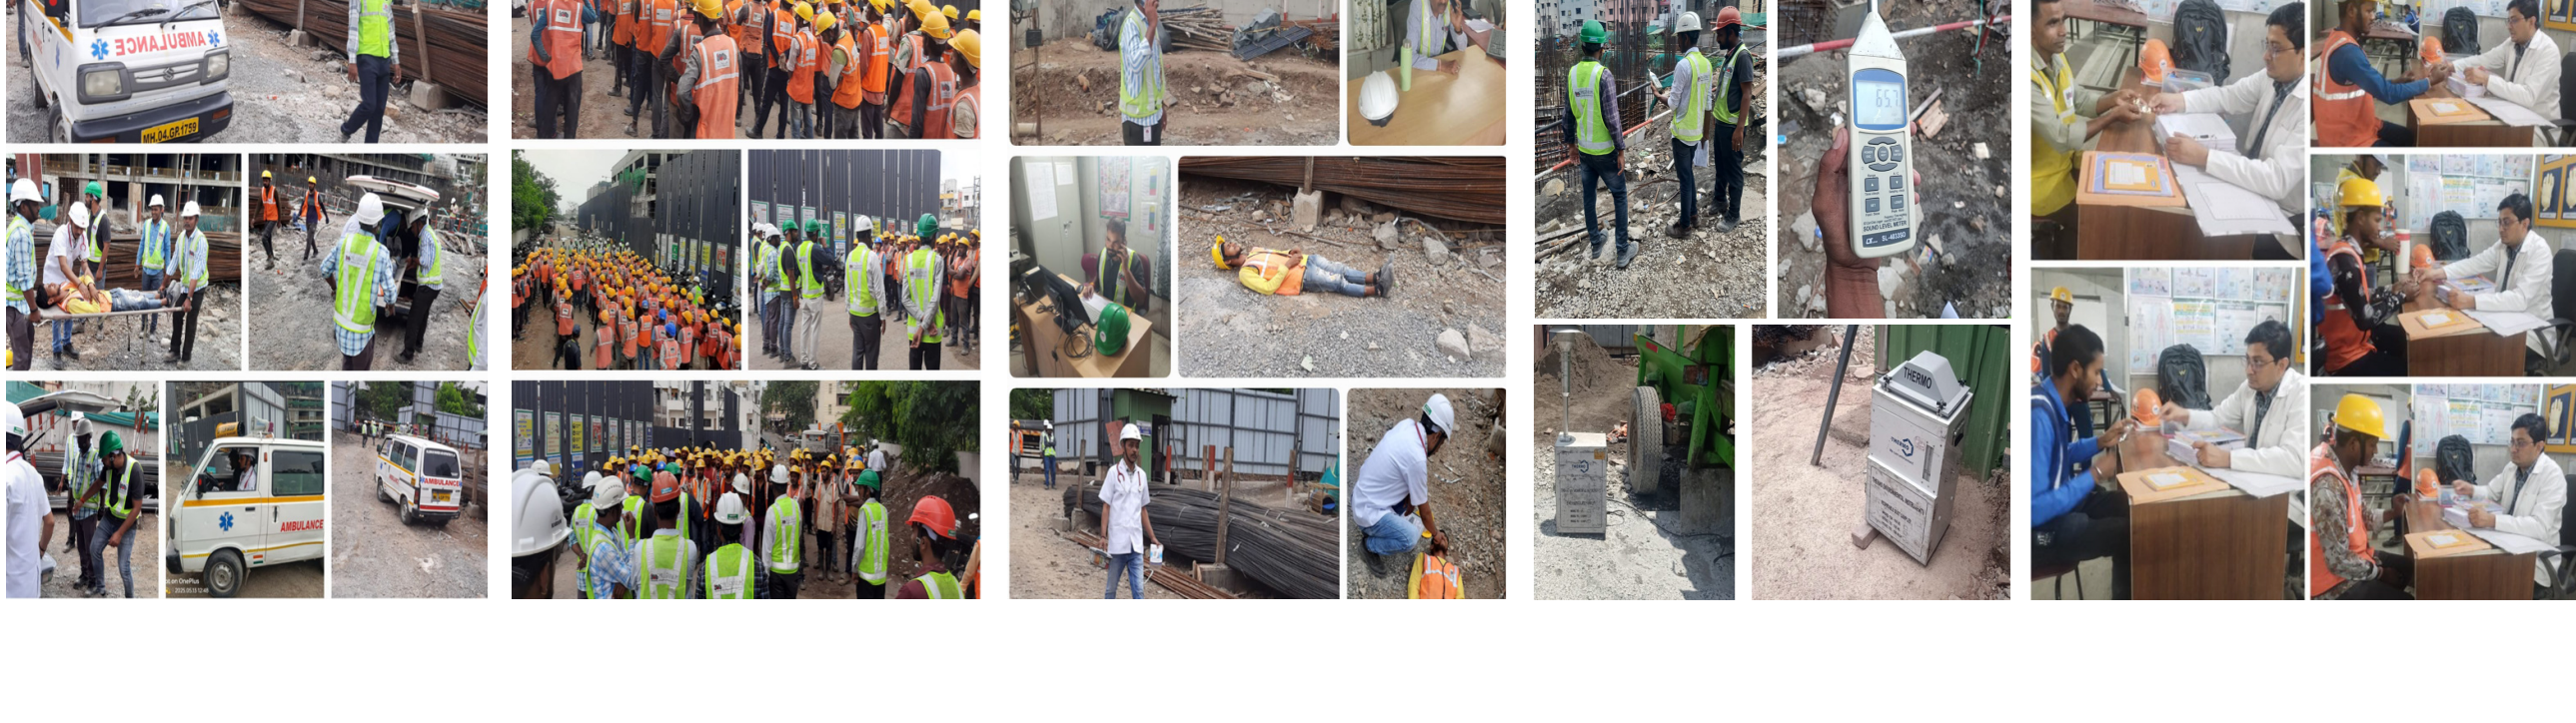

B2 Tower

7th slab RCC work completed; 8th slab work commenced.

Duville Engineering in Action

Our engineering and site management teams continue to follow global best practices to ensure quality, sustainability, and safety:

- **Emergency Response Planning** implemented for on-site readiness.
- **Stringent environmental monitoring** for air quality, DG stack emissions, and noise levels.
- **Weekly health check-ups** conducted for all site workers.

Celebrating People & Progress

- **Mother's Day** celebrations were held on-site to honour the incredible women on our team.
- **POSH Training & Women's Health & Hygiene** sessions organized to promote inclusivity and awareness.
- **Safety Park Inauguration** marked another step forward in our commitment to a secure worksite.
- **Motivational speeches** and **prize distributions** by Duville and JLL brought energy and appreciation to the workforce.
- **Sweet distribution** added a touch of joy to our community celebrations.

Thank you for being part of Riverdale Grand.

We remain committed to excellence in construction, transparency in updates, and care for our people and planet.

Warm regards,
The Riverdale Grand Team
