

# Riverdale Grand is Rising

Construction Update: April 2025

## Dear Homeowner,

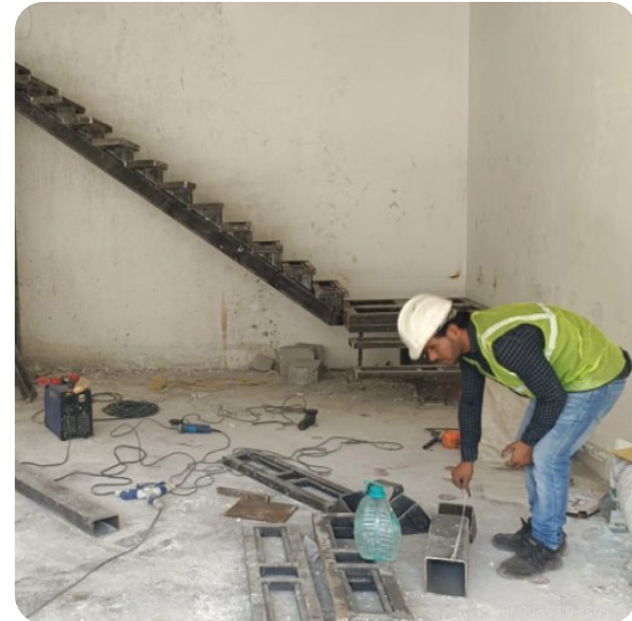

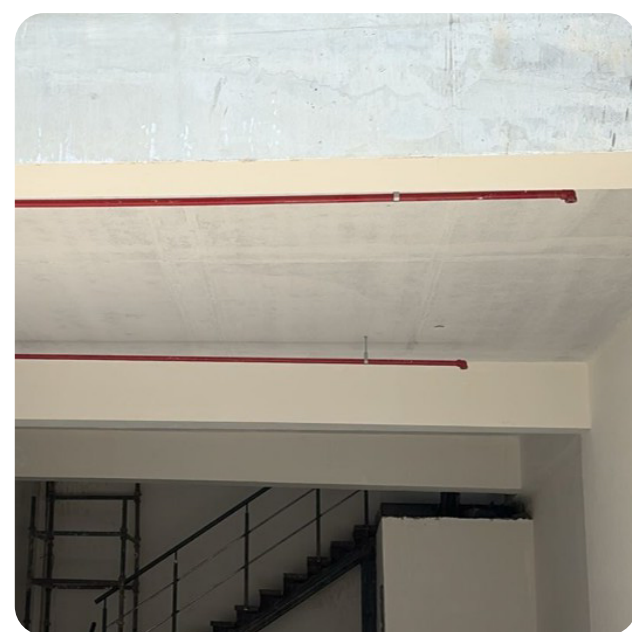

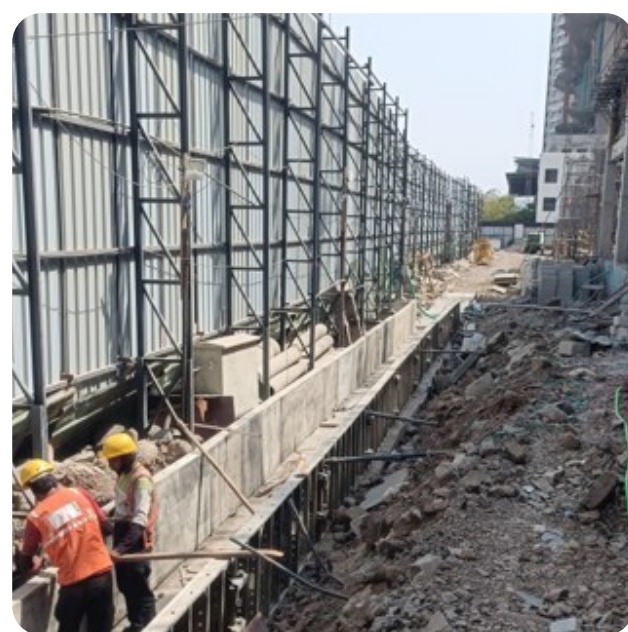

We are delighted to share the latest progress updates for Riverdale Grand.

Here's a snapshot of all the exciting developments across the project.

## Retail Shops

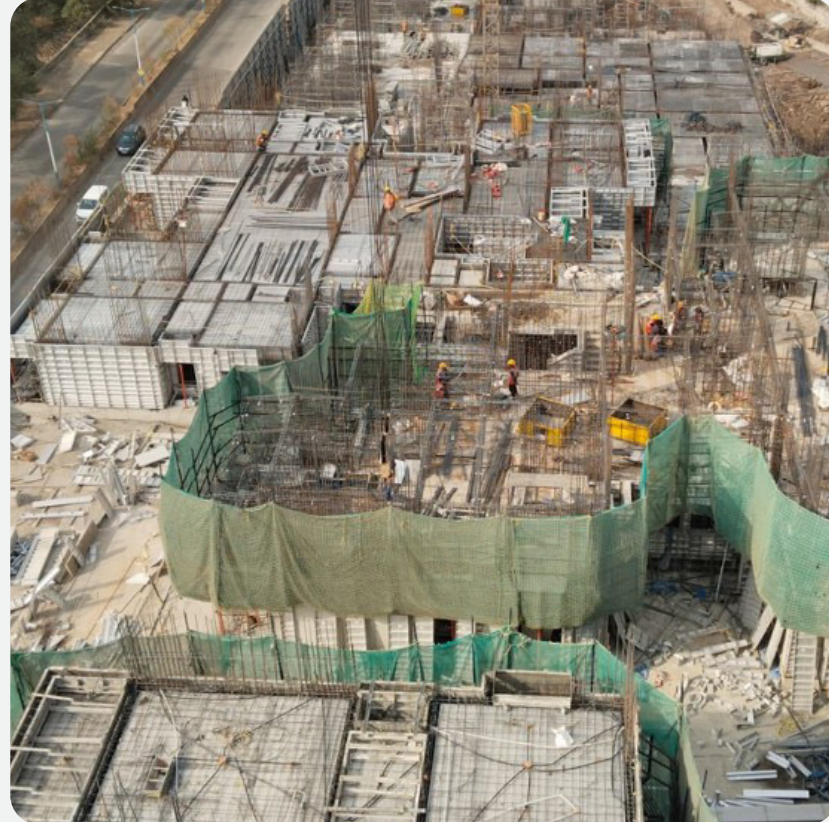

- Blockwork completed; gypsum plaster work completed.
- MS staircase installation work in progress.
- Firefighting work commenced.
- Front infrastructure work in progress.
- Tiling work commenced.

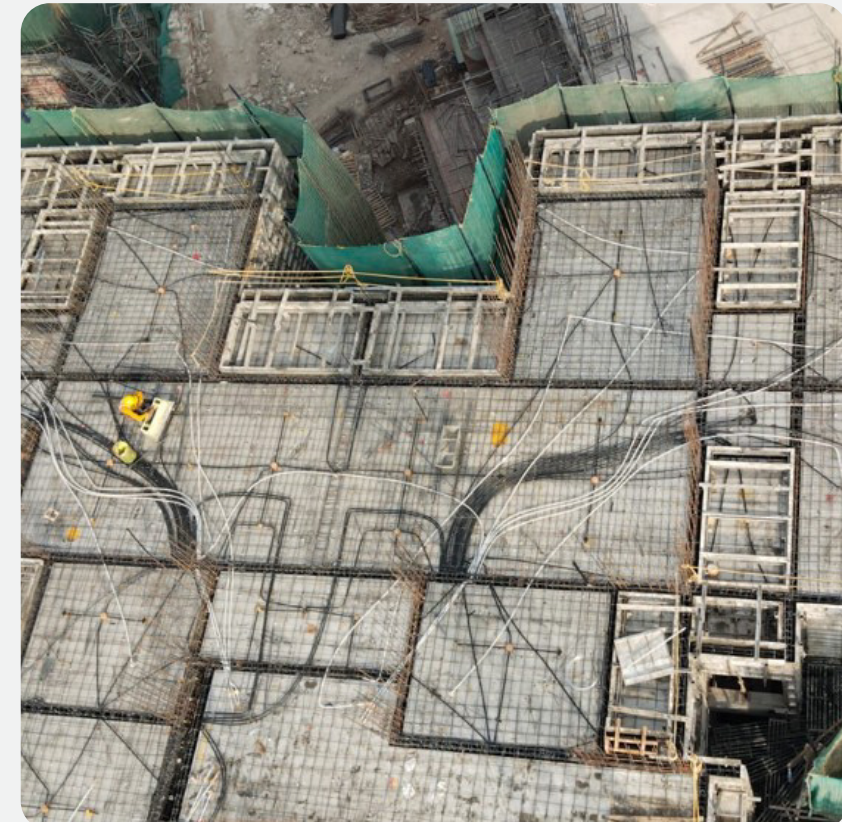

## Residential Towers

**B1 Tower**  
9th slab commenced.

**B2 Tower**  
7th slab completed.

**B3 Tower**  
6th slab completed.

## Infrastructure Works

**UGT** (Underground Tank)  
RCC work in progress.

**STP** (Sewage Treatment Plant)  
Raft casting completed.

## Site Highlights

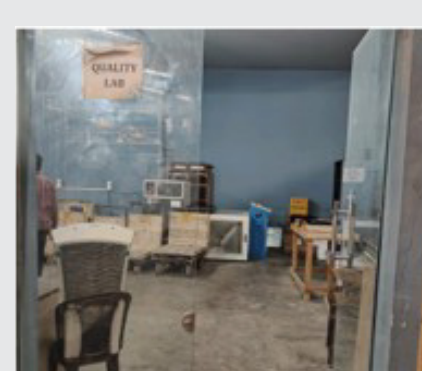

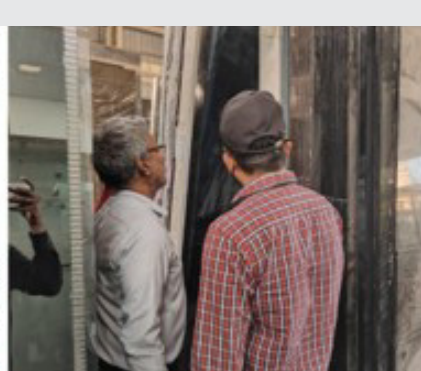

- Fire service week celebrated with awareness activities.
- Quality inspection visit conducted at the glass factory.

- Heat stress and heat stroke prevention drive conducted; Glucon-D distributed to workers.

## On-site Best Practices in Action

- Transit mixers covered with wet hessian cloth to maintain concrete workability.
- Concrete pipelines wrapped with hessian cloth to control temperature and ensure better workability.

Thank you for being a part of the Riverdale Grand community. We are committed to maintaining the highest quality standards and ensuring steady progress towards your future home!

Warm regards,  
**The Riverdale Grand Team**
